My style & me

A LITTLE ABOUT ME, A LOT ABOUT MY STYLE

My photography style

I want to tell the story of your wedding day and capture what makes your day uniquely yours. Real emotions exactly as they happen, without having to pose.

For me, wedding photography is about the genuine moments; the laughter, the tears, all of the love, and simply letting you enjoy your best day ever.

Together, we'll find the right balance of photography. If you want to avoid posed pictures, we don't pose. If you want some posed portraits, they'll be special, happen naturally and will take just the right amount of time, leaving you to enjoy every moment.

About me

I've been a photographer for over 35 years and graduated with a HND in Photographic Design and a First Class Honours degree in Photography.

I'm proud of every one of the 500+ weddings I've had the privilege to photograph, as well as the nearly 100 industry awards I've received, including **Best Photographer in the North West** in 2026.

I live in Todmorden with my wife, two children and two dogs. Outside of photography, I love spending time with them, exploring The Dales and The Lake District, discovering great places to eat, and relaxing by a crackling fire in a local pub.

Natural photography, authentic portraits, emotional moments.
Simply capturing your story as it happens.

I'd love to hear all about your big day. You don't even need a specific date in mind at this point, we can just share ideas.

Your adventure

PRE-SHOOTS & DESTINATION PHOTOGRAPHY

Pre-wedding Shoots

Pre-wedding shoots are the perfect way to get used to the camera before the day. It's also an opportunity to create save-the-date cards! We spend half a day in your favourite location and create a set of photos that are really natural.

On average, you can expect to receive a collection of about 50 photographs. Travel up to 30 miles included.

Destination Weddings

I have been all over Europe photographing gorgeous locations. Organising photography abroad can be more challenging and it's a whole lot easier if you take your trusted photographer that you've chosen personally with you and have them here when you get back.

You'll need to cover flights, accommodation and travel. I will do all of the organising, giving you peace of mind!

Wedding Stories

Jaime & George

We knew instantly that we didn't want to consider anybody else as we got such a good vibe and loved his work! Every picture tells a story.

EAVES HALL, 2025

Hannah & Bex

His skill to capture the moments, the look, the feeling. It's all there, you can look at the pictures and it speaks volume of this artist at work.

STANLEY HOUSE, 2025

Georgia & Ben

So natural, spontaneous, and full of emotion. They capture our day so perfectly and they are everything we could have asked for and more.
